

Maywood Campus

December 2023

The mission of the South Bergen Jointure Commission is to unlock the potential of every student. As a leading educational provider, we will focus on the development of each student's social, emotional, and academic needs. By fostering an environment that is supportive and challenging, we will empower students to maximize their independence and potential in becoming fulfilled and productive members of their community.

KPMG Family For Literacy Visit

On December 21, volunteers from KPMG visited our school as a community service event, Family for Literacy Program. Volunteers visited each classroom and read to the students. They distributed snacks and books which were sent home with each student. Following classroom readings, the KPMG volunteers led a holiday sing along with the entire school. We even had a special guest surprise us during the visit. The event was truly amazing and heartwarming to see the joy on so many faces.

Door Decorating Contest

The winner of this year's door decorating contest is Ms. Joanna Lachcik's class! The students and staff did a wonderful job.

Artist Spotlight

Art by Oscar

Oscar is our December Artist Spotlight. I find him constantly drawing. That is how an artist can perfect one's skills. Recently it has been pointed out that Oscar enjoys looking at the Disney Infinity Book. From there he creates more figures. His work is consistent and inspirational.

Student Spotlight

Meet Gabriel

We're proud to announce Gabriel for our Student Spotlight of December 2023. Gabe has come such a long way since he started with us. He excels academically, is learning how to handle his emotions in positive ways and is always ready to learn new things. Gabriel is a great friend to all his peers, and his outgoing personality makes everyone smile. We are so happy to have Gabriel here at SBJC Maywood!
